

Hello, <TITLE OF ELECTED OFFICIAL> my name is <FULL NAME> and I live in <CITY>. I am reaching out to you today to discuss making <CITY> a Sanctuary City for the Unborn. As you may know, 2300 babies are killed legally through abortion every day in the United States, and over 60 million since Roe V Wade in 1973. As our culture becomes increasingly accepting of this atrocity, we need to take action. Cities like Lebanon, Ohio have taken steps to create safe havens for the preborn. These Sanctuary Cities prohibit abortion clinics from opening within city limits and ban the provision and purchase of abortions, whether surgical or chemical. We need your help to turn <CITY> into a Sanctuary City for the Unborn. Please consider introducing a bill to city council to ban abortion within city limits. Thank you for your time and your support!
